## PROFILE

Retail media strategist with a track record across three phases of growth at Petco: scaling a \$5M+ offsite portfolio, building first-ever media strategies for newly launched brand partners, and now leading the operational and creative infrastructure that keeps campaigns on schedule across the full portfolio.

## EXPERIENCE

### RMN Planning & Strategy Specialist

**Petco, Inc.** | July 2026 - Present

- ▶ Lead bigger-picture retail media operations, building a centralized creative asset bank so every brand partner has launch-ready assets and campaigns stay on schedule.
- ▶ Analyze performance trends, audience insights, and market opportunities across the portfolio to shape media recommendations and advertiser strategy.

### Integrated Media Planner

**Petco, Inc.** | Oct 2025 - July 2026

*Onsite + offsite media*

- ▶ Built first-ever media strategies from scratch for a growing roster of smaller, net-new-to-Petco brand partners just launching on the platform.
- ▶ Balanced a larger number of partners against smaller individual budgets than the prior offsite role, prioritizing scalable frameworks over one-off execution.

### Offsite Media Specialist

**Petco, Inc.** | Dec 2023 - Oct 2025

- ▶ Directed offsite media strategy for 34 brand partners (not including sub-brands), managing \$5M+ in annual investment across paid social, programmatic, and search.
- ▶ Activated first-party shopper audiences and led ongoing testing across creative, audience, and bidding strategies, driving meaningful gains in new-to-brand purchases and campaign efficiency.
- ▶ Built the infrastructure for vendor advertising on Reddit, laying the groundwork for a new offsite channel ahead of launch, and led vendor calls to review media plans and performance.

### Digital Services Coordinator

**Civilian** | May 2023 - Dec 2023

- ▶ Managed multi-channel campaigns across programmatic, paid search, and paid social, implementing tracking pixels and performance measurement.
- ▶ Optimized budgets, audience targeting, and creative trafficking to maximize CTR and campaign efficiency.

### Marketing Intern Experience

2022 - 2023

- ▶ Orchestrated email and social campaigns for multiple clients, driving engagement, audience growth, and measurable performance improvements.
- ▶ Developed content calendars and digital assets, leveraging performance data to optimize campaigns and increase ROI across channels.
